

#### FISCAL YEAR 2013 TECHNICAL ASSISTANCE PROGRAM

Communities are invited to apply for Technical Assistance to advance the recommendations of the South Coast Rail Economic Development Corridor Plan (Corridor Plan). The planning assistance will be provided primarily by staff from the Regional Planning Agencies (RPAs). You may apply for up to two separate projects, but a maximum of one project will be funded per community.

Communities should consult with their RPA prior to submitting an application for Technical Assistance to ensure that the proposed work supports the advancement of a Priority Development Area or Priority Protection Area as identified in the Corridor Plan.
